

FY26 Voluntary-Advanced Tax Election on Anticipated Taxable Tuition Remission

I hereby authorize St. Louis University to take advanced tax deductions on my estimated taxable tuition remission for the calendar year 2026. I understand that the election I make below can be impacted by my choice to take more, or fewer, classes and that I may only make this election once per calendar year. **If I should take more classes or drop (withdraw) from classes my taxable tuition benefit will be adjusted, which could result in significantly higher (or lower) withholdings.** The tax election I am making is based upon the value of my Graduate classes greater than \$5,250.00 per calendar year, and is subject to supplemental tax withholding rates, and mandatory tax withholdings, of 35.35% (FICA-OASDI Withholding 6.2%, FICA-Medicare Withholding 1.45%, Federal Withholding 22%, Missouri Withholding 4.7%, and St. Louis City Withholding 1%) of the gross taxable tuition benefit estimation. In addition, if your Medicare taxable wages exceed \$200,000 in 2026, you will be subject to .9% additional Medicare withholdings.

The estimation of total benefit below is based upon FY25 tuition rates and is subject to change at the University’s discretion. **It is the employee’s responsibility to circle the correct program and credit hours on this form as the Benefits Office does not double check your student enrollment records when this form is received.**

Please select *one* below by **choosing** the appropriate taxable benefit amount.

To calculate the amount of voluntary withholding that will be deducted from each paycheck, in addition to your normal withholdings on your taxable wages each period, take the number you circled above, divide it by the # of pay periods remaining in the current calendar year, (forms received by benefits after payroll processing begins will not take effect until the next pay period), multiply by 35.35%.

Monthly Example: Employee circles 9 hours in the Graduate Program (\$7,350). $\$7,350/12 = \612.50 taxable income x 35.35% = \$216.52 in extra withholding will be deducted per check for the remainder of the year.

Biweekly Example: Employee circles 12 hours in the MBA Program (\$11,550). $\$11,550/26 = \444.23 taxable income x 35.35% = \$157.04 in extra withholding will be deducted per check for the remaining of the year.

This election must be made each calendar year and will not carry over into a new calendar year.
